*Dear colleagues!*

*We are sending you the Regulations on the competitions in Turkey, which will be held in Antalya from April 27 to May 3, 2024.*

*Please note that in order to organize and improve the event, at the request of our representative in Turkey, Hatay Hüseyinzade Sultanı, the venue and accommodation of the participants have been changed.*

*Due to numerous requests from representatives and participants of the competitions in Turkey, as well as taking into account preliminary applications, the age and weight categories have been changed and optimized.*

*I ask you to stay for a week at the beautiful KILIKYA PALACE hotel as much as possible and willing. The weather in Turkey is great at this time, and the sea is warm.*

*With respect,  
President of WKC/FW  
Viacheslav Timofeev*
