ADDRESS BY THE PRESIDENT OF WKC/FW

I am sincerely glad to welcome the leaders of the world sports community, heads of international martial arts organizations and outstanding athletes.

On behalf of WKC/FW, I invite you to take part in the Open European Cup for children, cadets, juniors, seniors and veterans of WKC/FW karate. The competition will be held in Kemer, a suburb of Antalya (Turkey).

The city of Antalya was chosen as the venue for this tournament in accordance with the decision of the meeting of the WKC/FW Executive Committee members, which took place on December 24, 2023 in Taraz, Kazakhstan due to the availability of an international airport and the possibility of holding the competition in a hotel.

This tournament will be a good opportunity for many athletes from different countries to show their skills in karate, and for the referee of the competition it will be a great opportunity to undergo training and get international referee categories and improve their professional skills. We guarantee that the competitions will be held at a high organizational level.

*Sincerely,
President WKC/FW
Viacheslav Timofeev*

INFORMATION

Antalya is undoubtedly the most famous Mediterranean resort in Turkey. The city is located in the south of the country, at the edge of a spacious fertile plain, and is the administrative center of the province of the same name.

This area was called Pamphylia in ancient times. Spread out in a picturesque bay, surrounded by lush greenery of palm trees, oleanders and lemon trees, reflected in the azure-blue sea, Antalya is surrounded on three sides by the high ridges of the Taurus Mountains.

Antalya, due to its unique nature and rich history, is one of the cities hosting the largest number of tourists in the world. Every year, tourists who come to Antalya to swim in the gentle turquoise waters of the Mediterranean Sea, relax in the lush greenery of picturesque natural corners, explore the thousand-year history of Antalya, stay in luxury hotels located throughout the city.

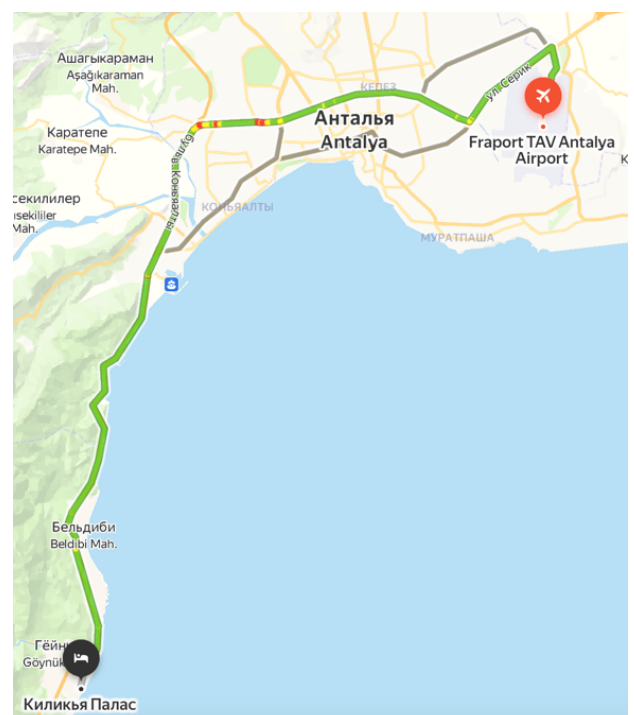

April in Antalya is the first month of the warm season. Unlike in March, you can not be afraid of severe cold spells and biting winds. The weather in Turkey is stable in the middle of spring. During the day, the thermometer rarely drops to +15 ° C. In April, solar activity is already high in Turkey.
